There are no Submissions. Click [add new](#) above to create one.

Select the Society to which you wish to submit your abstract.

- You may submit a maximum of **5 abstracts** in total across all participating Societies.
- However, **identical abstracts may not be submitted to more than one Society.**
- Identical abstracts submitted to multiple Societies will be disqualified.

The screenshot shows a web form titled "Submission" with a user icon. Below the title is a dropdown menu labeled "Society * ?" which is circled in red. The dropdown menu is open, displaying a list of societies: APSS, Biospine-AP, BSS/SBC, CSS, INSPIRE, IPSIS, ISSLS, JSSR, KSNS, KSSS, NASS, SILACO, and SOSORT. The SOSORT option is highlighted with a dark grey background.

Once you have selected a Society, please select a topic.

Note: if a Society proposes only one topic, this topic will not be displayed in the abstract submission form. Your abstract will automatically be allocated to that topic.

The screenshot shows a web form titled "Submission" with a pink header. It contains two main sections: "Society" and "Topic". The "Society" dropdown is set to "APSS". The "Topic" dropdown is open, showing a list of topics. The "Topic" label and its dropdown menu are circled in red. The list of topics includes "1. Adolescent Idiopathic Scoliosis" (which is the first option and partially visible in the dropdown header), "10. Infections", "2. Adult Spinal Deformity", "3. Artificial Intelligence in Spine", "4. Basic Science", "5. Cervical Spine", "6. Complications and surgical outcomes", "7. Spinal Endoscopy", "8. Spinal Trauma", and "9. Spine Tumor" (which is highlighted with a dark grey background). The "Upload" button is partially visible at the bottom.
